

Sponsor a Child Programme

The Siankaba Nursery School, close to Livingstone in Zambia, was built by The U Foundation in 2010 for local children aged 3 to 6 years old. From this starting point, the children have a springboard start towards a successful education and the opportunity of a better life.

The school is entirely funded by The U Foundation and individual donations. It receives no government support.

By sponsoring a child, you are helping us to provide:

- A hot meal for the child every day
- A salary for their teachers
- Learning materials
- The additional support for those who need it most

Once you begin sponsoring a child, our hope is that you continue to do so throughout their education.

We call this a child sponsorship programme but it is important to know that your contribution of £20 a month will not just help your sponsored child, but contribute to the care of all the children at the Siankaba nursery school, to better their education and their communities

For more information about how to get involved or to discuss the Sponsor a Child Programme further please contact Sarah Elton at The U Foundation.

The Gift Aid scheme enables us to claim back any tax paid on your donations. For the scheme to apply, you must pay an amount of UK income and/or capital gains tax at least equal to that which we will reclaim on your donations in the tax year.

No, I am not a UK tax payer.

Yes, I would like all donations I have made for the six years prior to this year and all donations I make from the date of this declaration until I notify you otherwise, to be treated as Gift Aid donations. The tax reclaimed will be used to fund The U Foundation's work.
